REMEMBER

The CITY DIRECTORY is the most effective and most economical method of reaching all the people all the time.

¶ *Those who buy without looking at the list of those who sell do themselves a great injustice.*

Henderson Directories Ltd.

279 Garry St. **Phone Main 7224-5**

The Reason

Why the CITY DIRECTORY is in the front rank as an advertising medium is because it has builded for the respectable and responsible buyer as well as for the respectable and responsible seller and has brought them together in the right way by making the right kind of people acquainted with each other.

DIRECTORIES of different Cities in Canada and the United States are on file at the City Directory Office. They have been placed there for the accommodation of the Public and can be referred to Free of Charge.

Don't Forget

¶ Although a man may spend millions in advertising, he is poorly advertised if he cannot be found in the Directory.

¶ A large portion of good advertising reaches those who are not ready to buy, and when they are ready, they must consult the Directory.

¶ If you advertise at all, put your advertisement in the Directory and get the full benefit of all the other advertising you are paying for.

¶ But above all, have your advertisement in the Directory in order that you may be easily found by those who look—at the time they intend to buy.

¶ The CLASSIFIED LISTS in the Directory are the greatest *Buyers' Guide* in the World.
